Dear SMRU Customer:

Tuesday morning, October 24, 2023, beginning at approximately **10:00 am**, water service will be interrupted due to scheduled maintenance of a SMRU water main. Water service could possibly be off until **3:00 pm**. **This Notice will affect ALL 5 ADDRESSES ON BRIGHTVIEW AVE. A "BOIL WATER NOTICE" will be in effect for a minimum of forty - eight hours after your service is restored. PLEASE BOIL WATER FOR A MINIMUM OF 3 MINUTES FOR WATER USED FOR DRINKING, FOOD PREPARATION AND ALL OTHER CONSUMPTIVE USES.**

Customers affected by this notice should turn off their icemakers prior to the shutdown interval and leave them off until the boil-water status is lifted. If you feel that any ice was produced during the boil water interval, please dispose of your ice for a full day's time beyond the end of the notice. However, simply turning off the water or stopping the icemaker until the notice is lifted should protect you from contamination.

Should you have any questions, or need additional information, please call Customer Service at (772) 546-2511.

Thank You for Your Cooperation.
